

Due to the Pandemic new temporary guidelines for licensing Taxicab and Premium Sedan drivers

Current Drivers: must still have their police record checks, driver's history report, physical exam and drug screening. Cost will still be \$25.00 for 1-year license. There will not be any new photos taken at this time.

New Drivers: must still have their hiring letter, police record checks, driver's history report, physical exam and drug screening. **The company hiring any new drivers must send a clear color copy photo to sandy@stl-taxi.com for their license.**

Optional: If any drivers wish to obtain a DOT Medical card, he or she can apply for a 2-year license for \$60.00. The police record check, current drivers' history and the DOT card is due at the time of applying for the 2-year license. Metropolitan Taxi Commission will pull a current driver's history report after the first year to ensure all drivers are still in compliance for the second year.

Upon arrival to the MTC office you will call in and leave a call back number, you will then remain in your vehicle until it is your turn to be serviced. You will be called in by an MTC staff member to turn in your paperwork, pay and collect your license. Anyone entering the building must be wearing a mask that covers their nose and mouth.
